

SCI MALAYSIA

BRANCH REPORT 2017

SCI Malaysia has 2 rather independent but collaborative groups in Penang and Kuala Lumpur, and listed are the activities we held, many jointly, to promote our Vision and Mission for a world of Peace and Non Violence

International Representation and Participation

- Hosted a successful P2P Learning Seminar focus on Fund Raising and Knowledge Management, cum APM and IEC Meeting in Penang in July. Over 22 countries and 50 people participated
- Edward Chuah elected into the new Asian Development Secretariat along 2 others.
- Stephen Nah is a member of the 2020 Project Team
- Participated in the EPM in France

Workcamps, Training and Exchange of Volunteers

- Hosted 3 International Workcamps locally and participated in an Erasmus Belt & Road Workcamp Project in Hong Kong
- 2 members Participated in P2P seminar in Poland
- Hosted 2 Exchange Volunteers – one from France and the other from Slovenia
- Send 1 volunteer to Germany for 1 month Back-to-School Project

Local Activities

- Successfully held our 27th Penang Peace Run with over 1500 people including 300 with special needs.
- Held a 2 busy and fun filled days for the International Day of Peace event in Sept with over 1500 people from the North and South taking part. Highlight were the installment of a Peace Promenade at the Temple of Universal Spirit, putting up a new Peace Pole in a School, a Peace Lecture by 2 distinguished speakers, a Peace Dinner, a Peace Convoy, Cycle for Peace, Peace Art
- Commemorated the Earth Day with the development of an Organic Garden and Farmacy
- Held Families Day and week end projects with the disabled at Spastic Centre and School for the Blind, Penang. Also participated in Book Launch and Food Fair to support like minded organisation
- Support a new initiative ;Dialog Rakyat which is to promote national Peace and Harmony particularly amongst the various races and community with Forums at the Universities, and Resident Communities
- Set up a new refresh website for SCI-Malaysia which is mobile compatible

Fund Raising

- The 2 major Fund Raising activities we had are the Penang Peace Run and the KL Spastic Charity Fund Walk

Other Local and Regional Activities

- Nurul and Maria continue to support the Asian Voices
- Supported the 15th IAVE Regional Conference where 32 countries and over 650 participants attended. We provided 2 Speakers for the Forums, and Emceed the 5 days events

SCI Malaysia Plan of Action 2018

1. Long term plan / Strategic Plan

- SCI Malaysia (KL & FT) planning for the next 5 years (2018-2022)

2. Workcamps

2.1 Normal workcamps (7-10 days)

- February (bilateral & International) & August/December (International)

2.2 Weekend workcamps

- Twice a year

3. SCI KL Training Centre

- To search for a suitable office/training centre for SCI KL. Suggested places: Brickfields or USJ Taipan

4. Fund raising Activities

- Charity lunch
- Approach individual donors
- Annual Spastic Charity Walkathon
